

2014-15 Asbestos Notification Letter

Dear Parent, Guardian, or Staff Member:

As per the United States Environmental Protection Agency's "Asbestos Hazard Emergency Response Act" [(AHERA) 40CFR Part 763], please be advised that an Asbestos Inspection Report and Management Plan has been developed for each school and building in the Kyrene School District.

The Principal at each school is responsible for maintaining a copy of the Asbestos Management Plan in the Administrative Office where it will be available for review during normal school hours. Additionally, the plan can be viewed on the Facilities Department's website at <http://www.kyrene.org/AMP>

The designated contact for the Kyrene School District is Mr. Giacomo (Jack) Musella, Facilities Manager.

To keep the plan current, as required by the U.S.E.P.A., a complete survey and inspection of all Kyrene schools is conducted every six months by properly-trained and accredited individuals
