KYRENE SCHOOL DISTRICT
CLASS SPECIFICATION
SCHOOL SOCIAL WORKER

DEPARTMENT: Allied Health
BAND/GRADE/SUBGRADE: C/4/2
FLSA STATUS: Exempt

CLASS SUMMARY:
The School Social Worker is a standalone class. Incumbents are responsible for designing and overseeing social interventions to provide individual and group supportive services including activities such as working with the social and emotional health of students and families; addressing attendance, truancy, and other human services issues; and acting as child protective services coordinators and homeless family liaisons.

Duties may include developing strategies and programs to address issues such as violence, conflict, bullying, and other needs; providing direct services and community referrals for students and families including peer mediation and character education, crisis intervention, individual and group counseling; conducting functional assessments and behavioral intervention strategies; and structuring services to reflect current needs and best practices including identifying and addressing cultural, ethnic, financial, physical and emotional challenges associated with learning failure in consultation with teachers and other District personnel.

The School Social Worker is distinguished from other allied health classes by the focus on the design and oversight of social interventions and prevention programs and services.
ESSENTIAL DUTIES:
This class specification represents only the core areas of responsibilities; specific position assignments will vary depending on the needs of the department.

<table>
