

Chemical Bonding Comic Strip

Due Monday, January 14th

A rectangular box with rounded corners and a small tab on the right side, containing the word "Name".

Instructions (Pick One):

- Choose one type of bonding and write a comic strip with 3+ frames. The comic should incorporate at least 3 properties from your Bonding Comparison Chart.
- Draw a single-frame cartoon for each type of bonding. Each cartoon should incorporate at least one key property from your Bonding Comparison Chart.

Grading:

Comic Strip:

Has 3 or more frames /6

Incorporates 3+ Properties /9

Is Neat /5

Is Colorful /5

Single Frame Cartoon:

Has 1 frame for each type of bond /6

Incorporates 1+ Key Property Each /9

Is Neat /5

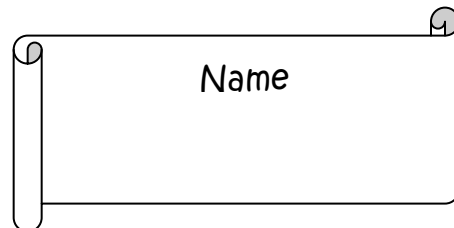

Is Colorful /5

Total: /25

(3 Point deduction if you lose this sheet)
