## Staying in dress code

Here are a few reminders as we move from jackets and sweaters to warm-weather clothes:

- ☐ Please write your child's name on any item s/he might take off during the day - jackets, sweaters, etc.
- ☐ Flip flops are not in dress code at KTA - please, no flip flops.
- ☐ It's a good idea for girls to wear tights or shorts under their skirts.
- ☐ Tights, high socks, and other visible items should be in KTA school colors.

\*\*\*Our lost and found is full...please take time to check it out when you pick up your children this week!

**Families- Let's work together over these next 9 weeks to make sure your child reads more than ever!**

### What we do in first grade

## MATH: Ten Turns and Missing Numbers

- This week we learned how to play *Ten Turns*, where students rolled dice 10 times and added the value of each roll to the values from the previous rolls. In this game students practiced adding on, and not recounting from the start.

Turn 1 we rolled 4.	Now we have 4.
Turn 1 we rolled 2.	Now we have 6.
Turn 1 we rolled 1.	Now we have 7.
Turn 1 we rolled 5.	Now we have 12.

- Students also played *Missing numbers*. In this game, students worked with partners and took turns covering different numbers on the hundreds chart. The other child would use strategies to figure out which numbers were covered. Many children started by finding one more: "I know one more than 82 is 83, so 83 is the missing number". We worked toward using ten more and ten less to also find missing numbers, "I know that ten more than 73 is 83, so 83 is the missing number."

71	72	73	74	75	76	77	78	79	80
81	82	?	84	85	86	87	88	89	90
