Quarter 1 Progress

CMS Families,

It's hard to believe it, but we are past the midpoint of the first quarter. This is a great time to check in with your child about their grades, talk about what's going well and where there might be areas for growth. Don't forget that you can access grades at any time through [ParentVUE](#). If you have any questions about ParentVUE, please visit the [ParentVUE FAQ](#).

In addition to checking in with your child about their academic progress, please take time to reinforce the importance of being to class on time. This helps us ensure that our teachers are able to maximize learning each class period. You can see your child's tardies by period in ParentVUE by navigating to the attendance page.

Don't hesitate to reach out to teachers or your grade level administrator if you have questions or concerns.

Sincerely,
James Martin, Principal

MATH TUTORING AVAILABLE TO CMS STUDENTS

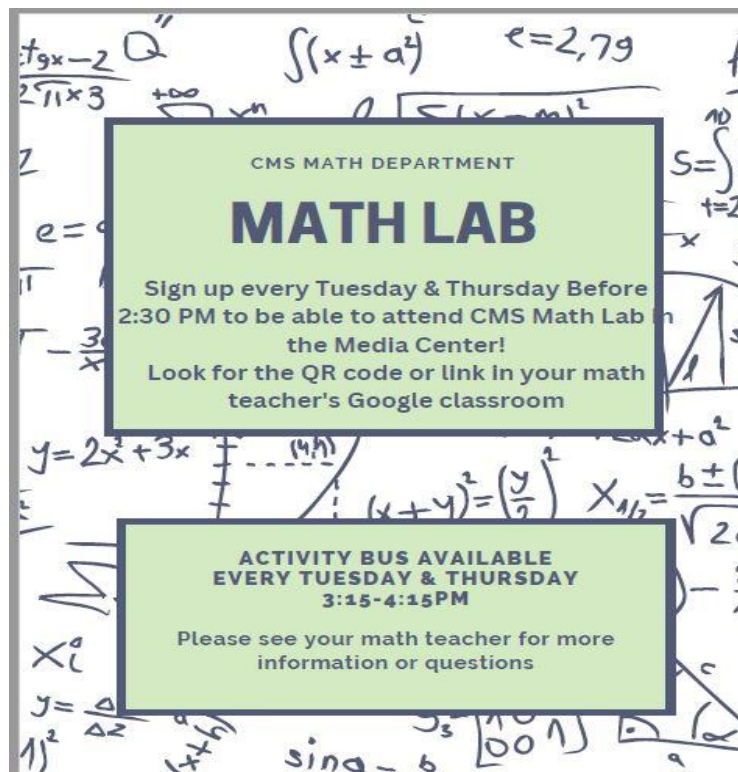

The CMS Math department is now offering after-school tutoring beginning August 22nd. Tutoring will take place in the Media Center(Library) every Tuesday & Thursday from 3:15-4:15 PM.

Students are asked to go directly from the 7th Period to the Media Center. There is no charge and all students are welcome! The intention of the math tutoring lab is to provide help with current topics covered in class, answer students' questions, and assist with homework. The math lab is completely voluntary.

In order to ensure that there will be room on the bus and Math Lab, **please ask your student to sign up using the QR Code posted around campus or in math teacher's google classroom by the morning on the day the student is planning to attend Math Lab.** All students attending Math Tutoring Lab must have an [Math Tutoring Contract](#) on file in student services. A grace period will be given (August 22 through 24) to submit the contract.

An activity bus is provided for students needing transportation home and will pick up after every tutoring session! The activity bus stops at scheduled stops assigned by transportation - **(list of stops are on Math Tutoring contract)**. If you have any questions, please feel free to call the front office.
