Curriculum Night is a structured evening. If you already have your schedule, you will start off in our MPR for lots of great information from 4:00-4:55 PM. You will then follow your child's schedule. **It is important to be on time as the evening begins promptly at 5:00 PM for ALL GRADES.**

Please come visit our MPR from 4:00-4:55 PM

- Purchase a PE Uniform

No schedule changes will be made on Curriculum Night. Schedule Corrections are made for only three reasons:

- An error in the students schedule, something's missing.
- A needed change in the level of instruction.
- A doctor's excuse from physical education classes for health reasons.

Each schedule is developed after receiving input from teachers, parents and students. A great deal of time and energy has been spent developing a program that will best meet the needs of each student. If you feel a mistake has been made in your child's schedule, there will be schedule correction forms located in the media center on Curriculum Night. Completed forms should then be placed in the appropriate grade level box that evening. Schedule changes will be reviewed and you will be contacted by an administrator.
