

Kyrene Traditional Academy

April 18, 2019

*Citizens *Scholars *Friends

Upcoming Events:

April 18th : Neon Spirit Day! Wear those bright colors ☺

Neon Dance (6:00 pm to 7:30 pm)

April 19th: NO School

April 24th: Kindergarten Walking field trip to the park (across the street). Only a couple parent volunteers will be needed on Wednesday to assist with activities as well as commuting students back to KTA to use bathroom facilities. *Please let your teacher know, if you would be interested. (We will be there from 8:15-10:15am.)*

May 2nd: Celebration of Learning (This is a school-wide evening event where all grade level classes will make presentations either in their classrooms or in their grade level hallways. PLEASE mark your calendars & plan to attend; the time is yet to be determined.) Kindergarteners will be performing at 5:00 sharp in the MPR.

Registration for new/returning students

Are you coming back to KTA next school year?????

The District has switched over to online registration. Every family will need an account and WILL NEED to register their child(ren) for school next year. All students must be registered for the upcoming school year. Even if your child has attended our school for multiple years, they will need to be registered online as well. Please sign in to your Parent Vue account and click on the tab for on-line registration through the Kyrene School District webpage, under the parent tab. If you are not returning to KTA, you still have to go into your Parent Vue account and tell us you are not returning. You can select another Kyrene school during this process as well in case families have students at different schools. The link below will bring you to the login page. If you have any questions, please contact the front office.

https://sispxp.kyrene.org/PXP2_Login.aspx

If you haven't set up your parent account yet, you will need an activation code. You can call the office for that code.

Also, now is the time to register any new kindergarten students for next year. You would register for kindergarten by adding a student to your current parent vue. Do not create a new account! If you have any questions, please call the school office for information.

Classroom Happenings

This week yellow placement forms were sent home for your child's first grade year. Yes, it is that time already! Amazing, I know. The Kinder Team has had a few questions so we would like to address them now. Placement for Kinders going into First grade occurs the second week in May. All placements are not finalized until July after all new incoming registrations occur. Therefore, changes may occur to rosters over the summer as new children register for school. As a result, you will not find out who your child's teacher is until next fall on Meet the Teacher night.

Please be sure to add any information regarding your child's needs that you feel will help during placement. Multiple factors are considered when students are placed (student needs, student behaviors, student dynamics within the classrooms, etc). We also look at individual children's successes and consider the environment that will best support their continued growth in all areas. If you have any other questions, please feel free to ask. ☺ Have a wonderful extended weekend! The weather is gorgeous.

-Your Kindergarten Team: Mrs. Cano, Ms. Randolph, Mrs. Kennedy, and Ms. Casper
