## DELIVERING MESSAGES, DROPPED OFF ITEMS & END OF DAY SIGN-OUTS

As a Leader in Me School, Habit 2 - Begin with the End in Mind asks our students to plan for their day. This includes having their lunch/money, homework, signed permission slips, etc. To help students practice habit 2, we will no longer be calling students to pick up items delivered. If your child is aware that an item is in the office, they are welcome to come and pick it up in the front office. While it is understandable that students will forget things, we ask that you make an effort to ensure that your child is responsible and prepared before coming to school.

Except in emergency situations, parents/guardians should avoid calling the school to leave a message for their student. When unavoidable, a message will be taken, and office staff will communicate the message to your student's teachers. We no longer can accommodate any emergency requests to deliver messages to students after 2:50 PM. Thank you so much for your cooperation.

## BEFORE AND AFTER SCHOOL CARE

During the last three years, there has not been enough interest in before or after school care and as a result we have not been able to offer this opportunity. If this is something that your family might be interested in for this school year, please complete the Pueblo After Hours interest form below. If there is enough interest we will reach out to families and advertise in upcoming newsletters. Thank you.

Parents...the Yearbook class needs your help! If you are taking photos of your student during their activities and would like to share them, there's a chance they could be in the 2022-2023 Yearbook! Thank you in advance for your help!
