

PUEBLO NEWS

November 10, 2022

Bulldog Families,

I would like to take the opportunity to thank all of our community members who are serving or who have served in the United States Armed Forces. The staff at Pueblo is especially grateful for our very own Mrs. Rose Haas and her years of service. We are grateful for your sacrifice and dedication.

We appreciate all of our 6th grade families who joined us for the first annual WEB Movie Night. Thanks to our amazing WEB Leaders, the event was a huge success. And, thank you to our WEB sponsors, Mrs. Myzia, Mrs. Gettings, and Ms. Simpson for their support along with Mr. Schindele and his grilling skills.

You should have received our recent communication regarding Pueblo's *Leader in Me survey*. The survey is completely voluntary, but we hope to receive parent feedback from one member of every household. The survey should take about 12 minutes to complete. If you have more than one child at Pueblo, you will be asked to think about the oldest child's experiences as you answer the questions related to his or her growth. The data from these surveys will help us track the impacts of the Leader in Me process and implement key practices more fully. Please use the link below to participate in the survey.

We are also hoping to get student feedback regarding Leader in Me at Pueblo. You should have received an email from your child's advisory teacher asking for your permission for your child to participate in the survey. The survey will be given next week during our advisory classes. We appreciate you taking the time to read and respond to the email.

Have a great weekend!

Sincerely,

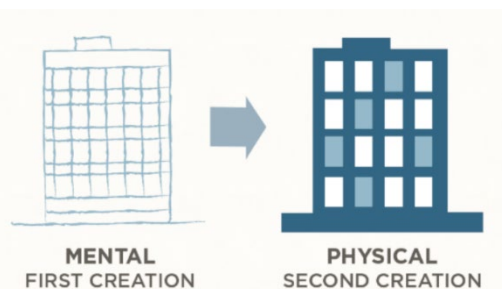

Ashley

A key concept to Habit 2 is that mental creation precedes physical creation. Vision for the future, having a plan, setting personal goals, Mission Statements, and making Bucket Lists are all ways to Begin with the End in Mind.

We ask for exact change (we don't have change in our office) or a check made out to Pueblo Middle School.

ATTENDANCE LINE

Pueblo Middle School is equipped with a computerized telephone attendance reporting system.

The absence reporting phone number is 480-541-6801 and may be called 24 hours a day.

Parents/guardians are asked to call the attendance office by 9:00 AM each day that their child is absent. Please leave a message on the voice mail indicating the student's name, grade, date(s) of the absence and reason for the absence. If we do not receive a parent phone call, the student's absence will be recorded as a truancy.

Pueblo Absence Reporting and Tardy Policy

NOTE: Parents MUST call the attendance line within 24 hours of an absence, even if they spoke to the health office, or if they told a teacher, we cannot excuse any absences until we receive a message from the parent/guardian.

MEAL DELIVERIES

Please note that we do not allow any third party lunch deliveries to the school office. Examples would include Door Dash and Uber Eats, among others. Deliveries of this kind disrupt students' lunch schedules and the timing is often unreliable. In addition we have a food service contract with the District which specifies not having competing foods brought into school. Parents may bring their own students' lunches to the office if need be, but may not bring lunches or treats for additional students. Going forward, if any 3rd party delivered lunches arrive in the office, unless arrangements have been previously made with the health office, the student will have to pick it up at the end of the day. Your cooperation is appreciated.

DELIVERING MESSAGES, DROPPED OFF ITEMS & END OF DAY SIGN-OUTS

As a **Leader in Me School**, **Habit 2 - Begin with the End in Mind** asks our students to plan for their day. This includes having their lunch/money, homework, signed permission slips, etc. To help students practice Habit 2, we will no longer be calling students to pick up items delivered. If your child is aware that an item is in the office, they are welcome to come and pick it up in the front office. While it is understandable that students will forget things, we ask that you make an effort to ensure that your child is responsible and prepared before coming to school.

Except in emergency situations, parents/guardians should avoid calling the school to leave a message for their student. When unavoidable, a message will be taken, and office staff will communicate the message to your student's teachers. We no longer can accommodate any emergency requests to deliver messages to students after 2:50 PM, or 12:50pm on Wednesday. Thank you so much for your cooperation.

COMMUNICATIONS

IMPORTANT: *In the event of an emergency, text messages are the fastest and most effective way to communicate information to families. You must opt in to receive text communications! Text "Y" or "yes" to 67587 to begin receiving text messages from both your child's school and the Kyrene School District.*
