Sierra Weekly News Principals Front Page News

Sierra families,

On February 21, 2019, you should have received the annual parent satisfaction survey. You can access the link from that email or from our school's [homepage](#). This year families will only have one survey no matter how many students you have in Kyrene. All questions will be captured for each child in one survey. This is your opportunity to share your perspective on your Kyrene experience. The information you share helps us ensure that every family is served with excellence and care.

Thank you for all your kind words and emails in the last week. It has truly been a pleasure to serve this community. As soon as I have more information about Sierra's new principal, I will share it with you.

Fondly,
Lisa Connor
