Sierra families,

It is hard to believe that we are nearing the end of the 2018-19 school year. We have a lot going on in the month of May. Be sure you mark your calendar for the events.

Thank you to the Sierra community for the last six years. I have truly enjoyed working with such an amazing group of people and families. Sierra is in a great place and I know you will continue on the journey to “inspire confidence, empower each other, respect diversity, reach for knowledge, and achieve academic excellence.”

Fondly,
Lisa Connor

The current online payment system, K12paymentcenter.com, can be accessed throughout the year. If you have weekly, bi-weekly, or monthly automatic payments scheduled you need to turn off this feature prior to end of school, to stop the charges from continuing to occur over the summer months. You need to re-activate this payment plan when the new year begins again.

If a meal account does not have sufficient funds, no meal charging will be allowed under any circumstances during the last ten (10) days of the school year May 8 – 23, 2019. An Alternative meal consisting of a Cheese sandwich, fruit/vegetable and milk will be provided during that time period in lieu of allowing student to charge meals until the account has been funded.

Lost and Found is overflowing. Please remind your child to look for those missing jackets and water bottles. All items left will be donated on Friday, May 24.

Have a Wonderful Summer!
