## Computer Science Week

### 2021 Computer Science Week!

December 6th - 12th

*Celebrate Computer Science Everywhere!*

Kyrene de las Lomas is proud to be participating in the Hour of Code again this year in celebration of the 2021 Computer Science Week annual event. During Computer Science Week our students will have the opportunity to use their problem-solving skills, logic, and creativity to explore computer science. This year's theme for Computer Science Week is computer science everywhere, highlighting the impact computer science has had in our world. Our goal for Lomas scholars is that through their participation in this year's Computer Science Week, students will develop an understanding of how Computer Science relates to different subjects, industries, careers, and our everyday lives.

## Free and Reduced Lunch

Did you know that families who fill out Kyrene's free and reduced meal application can qualify for a whole lot more than a free lunch? Eligible families can also receive discounts on everything from athletic programs to home internet service. Your application may also help our school secure federal funding for critical learning supports, such as math and literacy coaches, instructional assistants, and kindergarten prep programs. If you have not already applied for free or reduced meals this school year, please [apply online](#) by **December 31**. The application takes just minutes, and it could make a world of difference for you, your children, and our entire school.

## Tax Credit Donations

This giving season, please consider making a tax credit donation to a Kyrene school. Arizona tax payers can receive a dollar-for-dollar tax credit when they contribute to extracurricular activities in public schools. Tax credit donations help students attend activities like athletics; art and music programs; character education; and field trips...anything that requires enrolled students to pay a fee to participate. When you make a tax credit donation, you can reduce the amount of taxes you owe to the State of Arizona. The amount you contribute (up to \$200 for single taxpayers or \$400 for married couples filing jointly) will be the amount you may claim as a state tax credit. Begin the donation process by visiting the Kyrene tax credit donation [webpage](#).
