September 24, 2021

Your student's Fall school portraits are now available for online viewing and ordering! Each student has a unique access code called a "shoot key" that will be needed to view and order.

To search for the shoot key with your student's ID, go online to

<https://www.schoolpicsonline.com>

On the Home Page, click on the Button called "Search for Shoot Key".

Follow the online prompts to locate your child's shoot key and place your order.

Order by October 8th, and unlock discounted Digital Download Add-on specials at checkout plus FREE delivery to school. Specials expire after October 8, 2021 and all late orders will need to be shipped to home at an additional cost of \$7.00 for packaging and postage.

If you have any challenges accessing your child's shoot key, please email customerservice@schoolpicsaz.com. Include your child's school, name, and teacher, and we will reply back with the key.

Retakes will be taken on Wednesday, Sept. 29th. Retakes are only for those students who did not have their photo done. If you are doing a retake because you do not like your first picture there is a \$5.00 sitting fee.

Attendance Reminder: If families are leaving early for Fall Break, please call the Attendance Line to report your student's absence. Additionally, if parents are signing students out before the end of the school day, please send your student with a note to the office in the morning to receive a pass to meet you in the office at the appropriate time. This process minimizes calling into classrooms, interrupting instruction, as well as ensuring that your student will be signed out in a timely manner.

You Could Be Key to Kyrene! Education Support Professionals Career Fair

Education Support Professionals are key to our school's success. From the crossing guards and bus drivers who ensure student safety, to the instructional assistants and front office staff who support students throughout the school day, our school counts on these key players. Kyrene School District will host a "Key to Kyrene" Career Fair for Education Support Professionals on Saturday, October 16 at Kyrene Traditional Academy. Visit www.kyrene.org/careers for more information and to make an appointment for an interview. Appointments will guarantee an interview slot. Walk-in interviews will be limited.

Purposity, a Tool for Giving

Are you looking for a simple way to support families in our community? Whether it is an outfit for a child who has outgrown her clothes, or household items for a family that lost everything in a fire, lending a helping hand to Kyrene families has never been easier. Kyrene School District partners with [Purposity](#), an online application that allows us to share specific student needs with a community of donors. All donations and contributions go directly to the student or family. Thanks to our community's incredible generosity, Kyrene has helped hundreds of families, including students from every single Kyrene school. To sign up, download the app from Apple or Google Play and enter your zip code. You will receive a weekly alert that a student needs a pair of shoes or a warm coat, and within seconds, you can make a difference in that student's life.
