Message from the Principal

Good afternoon, Altadeña Community,

Thank you to all who participated in Parent/Teacher Conferences this week.

The Kyrene School District Visioning Survey is now open. Kyrene School District is beginning a community-wide strategic planning process to help shape the future of the District. One of the most important components of this work is to hear from families and staff. Check your email for an invitation sent on Wednesday, February 23rd to participate in the survey. You can take the survey on any computer or mobile device. If you did not see the email invitation, please check your spam folder or visit:

www.kyrene.org/visioningsurvey.

The Altadena Panther Chorus is gearing up for their Spring Concert, which will be on March 1st at 6:00pm in the Multipurpose Room. They will be selling surplus Chorus tee shirts and hoodies.

Inside the classroom:

Ms. Hernandez' class will be conducting a Symbiotic Relationship Match Game next week. Students will play 5 rounds in which they will each pair up with another student and have 5 minutes to chat with them. On each round the pair will discuss what type of organism they both are, what they both need to look for to survive and what they can both provide to the potential combined organism. At the end of the game, they will decide if the combined organism is an example of mutualism, commensalism, parasitism, or none (meaning the organisms won't help or hurt each other in any way.)

Have a safe and relaxing Spring Break!

Erica Modzelewski, M. Ed. | Principal

Learning Lab is in session

Learning Lab provides students with a quiet place to work on homework or get help from Altadena teachers. Sessions are held in the Altadena library.
