Message from the Principal

Congratulations, Panthers, on a successful first few days back at school! It was great to see students in the classrooms, learning new routines and meeting their classmates. We would like to provide some information to help our families transition to the new school year.

ParentVUE Mobile App & Acknowledgements

The ParentVUE Mobil application helps parents stay informed and connected by providing day-to-day insight into their student's academic experience. ParentVUE offers a single sign-on to view all of their children's information regardless of school. Go to [ParentVUE Mobile App](#) for directions and login. Starting on July 28th families were able to sign in to their ParentVUE accounts to review and acknowledge Kyrene's Family Handbook, Technology Agreements, Text Messaging Permissions, Survey Consent, and User Guides. At least one family member and all students must acknowledge their respective forms/handbook each year. Thank you for taking the time to review this information by August 11.

Text Message Communications

Families are encouraged to opt in for our Kyrene School District and school based text message for reminders and notifications. You can sign up to receive text message alerts by texting "Y" or yes to 67587. This is something that needs to be done every year.

More Than Just A Meal

The benefits of applying for free & reduced meals include increased funding to support schools, discounted rates on internet services as well as reduced prices on school meals. Families can apply online [here](#). Learn more at kyrene.org/foodservices. More information will be sent home with your student in the coming week.

Have a good weekend and we are looking forward to our first full week back on Monday.

Ms. Erica Modzelewski, M.A.Ed.
