Dear KTA First Grade families,

It was such a pleasure seeing you at Meet the Teacher Night. Thank you for investing the time in your child's education! We look forward to getting to know better as you begin volunteering in our classrooms. Don't forget to let your child's teacher know your availability so that the schedule can be implemented soon! We would like parents to help read with children, and do odd jobs around the classroom like filing and preparing projects. If you are unable to come in during the school day, perhaps you can help out with things at home, like collating paper, cutting out letters, etc.

Please be sure to call the attendance line to report absences at 480-541-5401
