A Note from Mrs. Crook

What a great first week of school we had in Room 12! I am so excited and blessed to have each of your children in my classroom this year, it is going to be an amazing time!

We learned a lot about each other last week and began to create an awesome learning community. I am looking forward to getting a lot of work done this week which will enable me to learn a lot more about your child's academic side.

I have enjoyed each of your responses to the page I sent home about your child's gifts. Those answers really help me to understand your child's strengths and how they will do best in our classroom this year!

Sincerely,

Hannah Crook
