## Super Star Student!

Our Star Student for last week was Serenity! Congratulations Serenity! Thank you for being a great role model for our class to follow.

## A Note from Mrs. Crook

We had another great week in 2<sup>nd</sup> Grade! We continued to learn a lot about each other by sharing our "Me" bags. We also continued to focus on the 3 B's while at school.

We accomplished a lot of work and learned the routines and procedures of our classroom.

I am looking forward to this new week! I expect to see new learning take place in each of your students. If you have any questions or concerns, please feel free to email or call me.

Sincerely,

*Mrs. Crook*
