

The Tabah Tribune

Mrs. Tabah, Grade 1

August 17, 2018

Class needs for this week:

- Behavior Charts Signed Each Day!
- Tennis Shoes on Tuesdays for P.E.!

Here's what we'll be learning next week:

ELA:

Core Knowledge Language Arts

Skills: short vowel sounds and single consonants.

Listening & Learning:

Stories & Fables

Math

- Practice Sequencing-putting numbers in order
- Building Number Sense and Fact Fluency to 10
- Create a Math Strategies Poster to help with Problem Solving

Science

- We are focusing on Social Studies this week!

Social Studies

- Take off to our first destination → North America (United States) where we will be learning:
- History of our flag and pledge
- Visit National Symbols: Liberty Bell, White House, Statue of Liberty, & Washington Monument

Dear First Grade Families,

We had a wonderful week! I'm so excited to see our first homework assignments coming in! We will be sharing the books and photos all next week. Routines and procedures are going well and students are really beginning to familiarize themselves with our classroom.

What We Learned This Week:

In CKLA Skills, I have been taking this week to assess the students reading and phonic skills. During Listening & Learning, students have been enjoying more fables and practicing identifying the characters, setting, plot and moral.

In math, we continue to focus on number combinations to 10. The students are working with number bonds, which include a whole (sum) part/part. Students decompose numbers into two visual sets, or conceptually subitize, and record the decompositions as a number. We are beginning to work with story problems. In social studies, we made Spin (globe man) who will make all of our travels with us! We also took off to our first destination...North America!

As always, please let me know if you have any questions. Thank you to all of you who made it to Curriculum Night! Have a fantastic weekend! See you all on Monday!

Best,

Mrs. Sammie Tabah
