* A peek at the week *

Ready Math Unit 2: Multiplication, Division, and Algebraic Thinking

We will continue our second unit, which is focused on multiplication, division, and algebraic thinking. In the unit, students will understand multiplication as comparison, solve multiplication and division word problems, understand multiples and factors, identify number and shape patterns, and model and solve multi-step problems.

This week, students will continue to focus on developing understanding of number and shape patterns. Then, we will begin our next lesson on modeling a solving multi-step problems.

Upcoming assignments

- Lesson 8 quiz graded- Check ParentVue/StudentVue
- Lesson 9 quiz- Wednesday (11/19)

Flex Students- Assignments and homework will be assigned through Google Classroom. If you would like updates on your child's assignments in Google Classroom, please check your email for Google Classroom notifications.

Homework pages are posted in Google Classroom at the top of my Google Classroom page. In-Person Students- students will take home paper copies of homework.

Homework this week:

- Monday-p. 185, 186
- Tuesday- Number and shape pattern practice
- Thursday- 15 minutes of multiplication math fact practice

Please encourage your child to complete i-Ready lessons at home, as they are great for extra practice, re-teaching, and skill refinement!
