* A peek at the week *

English Language Arts:

CKLA Unit 5: Geology

This week we will continue our unit, which focuses on geology. In this unit, students will learn about the earth, its geological features, the rock cycle, weathering, erosion, and how these geological processes affect earth's landscapes and environment through information text reading and skill practice. This unit ROCKS!

Our lessons this week focus on reading about geological processes, answering comprehension questions using text evidence, suffixes, sequencing adjectives, and descriptive writing about rocks.

ELE: Science

- Animal research and presentation
- Black History Month
- Friendship Celebration on Friday

Upcoming assignments

Homework is posted in the "Stream" section of our homeroom Google Classroom each day.

- Read 30 minutes each night
- Skill pages from geology workbook

4th grade
Rocks!

* Mark your calendar *
