* A peek at the week *

English Language Arts:

CKLA Unit 5: Geology

This week we will continue our unit, which focuses on geology. In this unit, students will learn about the earth, its geological features, the rock cycle, weathering, erosion, and how these geological processes affect earth's landscapes and environment through information text reading and skill practice. This unit ROCKS!

Our lessons this week focus on reading about geological processes, answering comprehension questions using text evidence, suffixes, and sequencing adjectives. We will also have our end of unit assessment this week.

ELE:

- Early Islamic Civilization and African Kingdoms: Chapter 1
- Black History Month activities
- Friendship Celebration on Friday
