## \* A peek at the week \*

### Ready Math Unit 3: Multi-Digit Operations and Measurement

- We will continue our third unit, which focuses on multiplication, division, and area/perimeter. In the unit, students will multiply by one- and two-digit numbers, use multiplication to convert measurements, divide three- and four-digit numbers, and find area and perimeter.
- This week, we will focus on area and perimeter. Our quiz for lesson 16 will be on Friday.

## Upcoming assignments

- Lesson 15 quiz graded
- Lesson 16 quiz Friday

Assignments and homework will be assigned through Google Classroom. If you would like updates on your child's assignments in Google Classroom, please check your email for Google Classroom notifications.

Homework is posted on the "Stream" section of our Google Classroom. If there are any pages to turn-in online, these will also be assigned in the "Quarter 3 Homework" topic of our classwork.

Please encourage your child to complete i-Ready lessons at home, as they are great for extra practice, re-teaching, and skill refinement!
