## \* A peek at the week \*

### Ready Math Unit 3: Multi-Digit Operations and Measurement

- We will continue our fourth unit this week, which focuses on fractions, decimals, and measurement. In the unit, students will understand equivalent fractions, compare fractions, add, subtract, and multiply fractions, solve two-step word problems, and convert measurement.
- This week, we will focus on comparing fractions through the use of models and symbols.

## Upcoming assignments

- Lesson 17 quiz graded
- Lesson 18 quiz on 3/22

Assignments and homework will be assigned through Google Classroom. If you would like updates on your child's assignments in Google Classroom, please check your email for Google Classroom notifications.

Homework is posted on the "Stream" section of our Google Classroom. If there are any pages to turn-in online, these will also be assigned in the "Quarter 3 Homework" topic of our classwork.

Please encourage your child to complete i-Ready lessons at home, as they are great for extra practice, re-teaching, and skill refinement!
