## Tax Credit Contributions

Help us reach our tax credit contribution goal of \$20,000. Our goal is to obtain enough funding to pay for two field trips per class in the 2021-2022 school year. Donate today through this link, <https://www.kyrene.org/Page/1404>.

**What is a tax credit contribution?** The IRS allows you to claim a deduction for the donations you make to qualified organizations. Individuals are entitled to a 100% dollar-for-dollar credit against their Arizona income tax owed. The maximum credit allowed is \$400 for married filing joint filers and \$200 for single, heads of household and married filing separate filers. For example, if you owe \$400 in state income taxes and you donate \$200 to a public school for extracurricular activities, you may subtract the \$200 from your tax bill and pay the state just \$200. Please consult your tax adviser.
