Each sixth grade student will be scheduled in four core courses (Language Arts, Mathematics, Science, and Social Studies) based upon data and need. Preliminary placement guidance for core courses is attached. Students who are new to the Kyrene School District are given placement tests upon registration or placed based upon prior school records.

Students also have two elective class periods. Students may have 2 one year-long elective classes, 1 one year-long and 2 semester-long elective classes, or 4 semester-long elective classes.

This paper version of the form along with course descriptions will support families in expressing their elective interests. The form will be kept on file by the middle schools.
